

## **SNRS Call for Student Poster Abstract Guidelines:**

### **Purpose:**

The Southern Nursing Research Society Annual Conference provides an opportunity for SNRS members to report ongoing and completed research as well as theoretical, conceptual, and methodological projects to colleagues. This call for abstract submissions is directed to student presentation of posters. The full conference will include podium presentations, poster sessions and symposia. Presentations will be selected on the basis of scientific merit by means of blind review.

First authors are limited to one abstract submission that may be submitted in any category. If the first author is not an SNRS member at the time of abstract submission, at least one of the co-authors must be a current SNRS member.

1. No information from the reviews is made available to the authors.
2. Each first author can be selected for only 1 poster.
3. There are no limitations on the number of presentations for second authors.
4. The primary presenter (the individual who will actually present the poster) must:
  - a. Sign an agreement to present the research at the conference if selected.
  - b. REGISTER FOR THE ANNUAL CONFERENCE AND ASSUME RESPONSIBILITY FOR THEIR OWN TRANSPORTATION, LODGING AND ANNUAL CONFERENCE REGISTRATION FEES.
  - c. Have current membership in SNRS.
  - d. Give permission for duplication of abstracts for inclusion in conference proceedings, the Sigma Theta Tau International registry and a future issue of Southern Online Journal of Nursing Research (SOJNR).

Student posters that are presented in the student poster session are eligible for separate awards. Students whose abstracts are accepted for the regular poster session are not eligible for these awards.

### **Guidelines for Submission:**

Abstracts must be submitted by midnight on October 6, 2008. Persons submitting abstracts will be notified by November 2008.
